

# JASON BETTS

## Design Professional

---

### Profile

Knowledgeable, dedicated, and creative architectural detailer with 15 years experience in the design, documentation and building industries. I possess a range of experience from single and multi-family residential, retail, commercial and town planning and development. Have managed others time and skills in a results driven environment.

---

### Skills

Results-driven achiever with exemplary planning and organizational skills, along with a high degree of detail orientation.

Confident, dependable, hard-working employee who is committed to achieving excellence.

Advanced troubleshooting skills coupled with many years of experience enable me to approach each task with confidence.
